NATIONAL HOSPITAL WEEK was the theme of the St. Elizabeth Hospital float in yesterday's Knights of Columbus May Day parade. Service in the emergency room was featured.

National Hospital Week Program Is Under Way

St. Elizabeth Hospital began its annual observance of National Hospital Week Sunday by participating in the Madison County Knights of Columbus parade.

A float was entered on the theme "Uniting Science and Patient Care."

Windows are to be decorated today at Illinois Power Co. office and Graham's Book store, both located at Niedringhaus and Delmar avenues. The theme is the same as that used on the float.

At 7 p.m. Wednesday there will be a tea by the alumni nurses and at 6:30 Thursday there

will be a doctor's banquet, both in the cafeteria. Dr. Alan Skirball is president of the medical staff.

Twenty-five-year graduates will be honored at the nurses' tea. Class colors and sashes will be presented to them. Advance Registration Set For 2 Area SIU Centers

In an effort to speed up the time it takes for students to enroll in classes, Southern Illinois University is planning advance periods of registration for the fall quarter at East St. Louis and Alton.

Registrar John H. Schnabel said the dates May 21-25 have been set for students currently attending classes at the East St. Louis Center to pick classes

and register for fall. Students at Alton will pre-register May 28-31 and June 1. The fall quarter begins Sept. 24.

An advantage of the new system is that it gives students the opportunity to choose classes, thus minimizing the chance of being placed in a class that is closed. Payment of fees under the pre-registration plan will be deferred until mid-Summer, but persons who have not paid by Sept. 7 will have their advanced registration cancelled.

A one-day general registration will be held at the beginning of the Fall quarter for new and returning students, Schnabel said. Currently enrolled students who do not take advantage of the advance registration period will not be permitted to register until the second day of the quarter and will have to pay a late fee.

Service award pins will be presented to employees at 2 p.m. Friday in ceremonies in the cafeteria. A 25-year pin, three 15-year pins, 11 ten-year pins and 36 five-year pins will be awarded.

Sister Stanisla, administrator, and Roy Thornton, assistant administrator, will officiate at the ceremonies.

The observance of Hospital Week will end Mother's Day with special recognition for the mother of the first child born that day at the hospital. She will be presented a complete hygiene and a 10% reduction will be granted in the hospital bill.

Mrs. Nedra Moran is in charge of the programming for the observance. An official proclamation of Hospital Week was signed by Mayors Leonard R. Davis of Granite City, Stephen A. Maeras of Madison and Dr. John E. Lee of Venice.

Water Rate Hike Delay Likely, ICC Examiner Says

Special From Springfield

Illinois Commerce Commission Examiner Martin J. Dolan said Friday the ICC will likely continue a suspension of requested water rate hikes by the East St. Louis & Interurban Water Co. for another six months, unless the company's application is completed and a decision made sooner.

The examiner, who is conducting hearings on the request at Springfield, set May 28 and 29 and June 13, 14 and 15 as dates for future hearing sessions. The hearing was recessed Friday after two days of cross examining S. E. Kerr of Richmond, Ind., a vice-president of the utility company.

Kerr was questioned Thursday and Friday by Henry A. Schwarz, mayor and attorney for the village of O'Fallon; State Senator John P. Meyer, Danville, attorney for the Monsanto Chemical Co.; and J. H. M. Clinch, Chicago, retained by the ICC to assist its staff in an examination of the company's records.

Dolan said cross examination must be completed by the middle of July. This, he said, is to permit the objectors to present their testimony in opposition to the rate raise. Their testimony will be in turn subject to cross examination by water company attorneys.

The company is asking an average over-all increase in the high and low level areas of 32.7%. This would amount to approximately \$1,855,000 annually at the present usage rate. The firm contends the present water rate allowed by the ICC does not allow a fair rate of return on its investment and funds for necessary improvements.

times in later weeks requested them. Barnes, upon leaving the tavern, drove to the local woman's home and they went for a ride before he returned her home and started for work at the switch-tower located to the rear of the blast furnace department of Granite City Steel Co., authorities said.

Minor Traffic Accident

Enroute on a dirt road east of 20th street and Edwardsville road, Barnes was involved in a minor accident with a 1942 truck. He apparently had driven on after receiving an accident report card from Granite City police stopping about a half-mile down the road to look over the report.

It was there his bullet-riddled body was found sprawled on the front seat of the car by Niehaus, who was riding a motor scooter and had delivered a message to the tower for Barnes, reporting he would be late because of the accident.

Niehaus at that time was living in the 2000 block of Russell street and worked split shifts. He was on his way to check on his inspection work. He told authorities he had ridden by shortly after the accident happened and Barnes had asked him to take the message to the tower.

The rates are combined here in the way that they affect the majority of people in the local areas. For persons in different governmental groupings, the rates will vary accordingly.

Long Lake fire district residents should add .092 (a drop of .008 from last year) to the other rates in Nameoki township to determine their total rate. Those in the Miracle Manor-Bellemeor Place street lighting district should add .10 (same as last year). The same rate applies to those living in the State Park Place street lighting district.

Nameoki township residents in the Madison school district should substitute that rate for the Granite City school district rate. Those in the city of Madison should add the city tax rate.

Venice township residents in the Granite City school district should use that district's rate. In all cases, the exact rate can be found by adding the rates of the governmental areas in which each taxpayer resides.

The procedure outlined enables property owners to determine their new combined tax rate immediately, based on \$100 assessed valuation. The figures will be supplied officially with tax bills this year.

Warriors Keep Tennis Title Hopes Alive

Granite City high school's tennis Warriors snapped a two-match losing streak here Thursday afternoon and kept alive their hopes of a tie for the Southwestern conference title. Dick Harmon's crew blanked Collinsville on the Wilson Park courts for the second time this season, 5-0.

Granite City had dropped decisions to Belleville and Edwardsville prior to its second meeting with the Kahoks. The shutout here Thursday kept GCHS in a three-way tie for first place with the Tigers and Mions. All are 2-1.

The Redmen are scheduled to play four matches in the next five days, beginning this afternoon at Roxana. On Tuesday they play their final conference tennis at Wood River, and on Thursday they meet the one squad to defeat them outside the conference this spring—Country Day of St. Louis. A home date with Madison Friday will conclude the regular season.

The match results with Collinsville:

No. 1 singles—Mike Barnes (GCHS) defeated Jack Finkle, 6-3, 6-1; No. 2 singles—Bill Logan (GCHS) defeated Rich Niedringhaus, 6-1, 6-1; No. 3 singles—Bob Baente (GCHS) defeated Dave Sarge, 6-1, 6-0.

No. 1 doubles—Tom Moore and John O'Dell (GCHS) defeated Meadows and John Beckman, 6-4, 6-1, 9-7; No. 2 doubles—Bill Kaseberg and Bob Baente (GCHS) defeated Ken Steiner and Mike Fimmer, 6-1, 6-0.

Roxana Wins Dual Meet From Braves

Roxana defeated Collinsville for high school's ninth grade track team 65-37 1/2 Friday in a dual meet on the Granite City high school oval.

The Braves took three first places in the 12 events on the program. Keith Garner won the 50-yard dash in 6.1. Ray Eshel won first in the half mile and John VanDeusen placed first in the 400. Roxana's outstanding dash man, Jim Robinson, grabbed the 100 in 10.3 and also won the 440, topping Mike Nounce in a race.

The Braves will run in a dual meet Wednesday afternoon against East Junior high school at Alton.

Alton Runs Away With Relay Title At East St. Louis

Alton high school swept to a one-sided victory Friday night at Parsons field in the annual relay of the East St. Louis relay, with the host Flyers a dismal second and Beaumont of St. Louis third.

Madison, with Ken Griggs scoring the only points for a local entry, was 13th among the 20 schools entered. Granite City failed to score.

Griggs was one of six high jumpers tied for fourth place in the event, and finished fourth in the broad jump to account for 2 1/2 points.

The team point totals: Alton 106, East St. Louis 78, Beaumont 45, O'Fallon 32 1/2, Soudan 29 1/2, East St. Louis Lincoln 24 1/2, Hadley Tech 21 1/2, Belleville 11 1/2, Collinsville 7, Wood River 7, Canokis 5 1/2, Madison 2 1/2, Sumner 2, Vashon 2, Southwest 1, Edwardsville 1, Roxana 1, Granite City 0, Central 0.

Warriors suffer 5th one-run loss; Are held to 3 hits by Stufflebean

It's getting to be an old story. Granite City's baseball Warriors got a creditable two-hit pitching effort from Charlie Papp, but could muster only one safe blow themselves Friday afternoon in East St. Louis, where the Flyers' club was nipped by Assumption, 2-1.

Coupled with a 4-1 setback at the hands of Collinsville here Thursday in the Southwestern conference, the defeat at the hands of the Pioneers ran Granite City's losing streak to six games. Three of them have been lost by one run, and GCHS has come out one run short in five losses during a 3-9 spring.

In its last four games, Granite City has rustled together just seven hits, not enough to do any pitcher justice, and a fact which prompted Warrior Coach Joe Fedors to call a special practice Saturday morning. Not surprisingly, hitting the baseball was the No. 1 item of business at the grill.

Win In 7th

Charlie Stufflebean, who already has a no-hitter to his credit, this spring, was the winning pitcher for host Assumption at Jones Park. Despite gleaming just one hit off Stufflebean's slants, Granite City was locked up in a 1-1 tie as the Pioneers came to bat in the bottom of the seventh.

But Assumption pushed across the deciding tally to keep the Warriors in a tangle which began on April 24 with an 8-5 loss here to Alton. Granite City last put a name in the win column on April 19.

The Redmen will go up against O'Fallon here tomorrow afternoon in a non-conference game.

SWO Slump Continues

The Warriors, held to a total of one hit in their two previous games, broke out of a batting slump briefly here against Collinsville Thursday afternoon, but the attack came too late as the Kahoks handed GCHS its fifth straight Southwestern conference setback, 4-1.

The same afternoon, Belleville edged Alton 4-3 to pull even with East St. Louis at the top of the conference standings.

Both clubs are 8-2.

Larry Corey pitched creditable baseball for the Warriors Thursday, but support behind the mound was again shaky. Three of the Kahoks' four runs were of the talented variety, and Corey gave up just three hits. The Warriors had five, three of them coming in the sixth inning when they scored their only run.

Catcher Marty Leavitt was the only Warrior to hit safely prior to the sixth. He had two singles.

Polish Hall Takes Tavern League Lead

Polish Hall bashed Greenhall 25-4 yesterday to take the lead in the Sunday morning Tavern slow pitch softball league. Polish Hall now sports a 3-0 record.

Stan Serwatka got the win and good backing at the plate from teammates. Dude Friend smashed a homer and Joe Fedors, Bill Skovron and John Mordus each collected four hits in beating Gene McMurry. Bill Baldwin had three asstuffs for the losers.

Ureps of sorts were fashioned by Club Delmar and Junction Tavern.

Club Delmar edged Sportman's 4-3, with Lenny Fuchs the winner. Ray Jones had three hits, including a triple, for the winners. Jim Goodrich took the loss.

Junction sidetracked Jug's Highway 5-5, with Lou Krause pacing the winners with a pair of doubles and a single in four trips. Howard Johnson was the winner and Owen Harrison the loser.

Bowland scuttled Home of the Blues 16-5 in the morning's fourth contest, with John Harrison and Pete Burdge belting homers for the winners. Nick Bogovich and Gus Lignoul added three hits apiece to the Bowland attack. Jack Thompson won and Joe Collins was the loser. Jim Kipp tripped and doubled for the Blues.

Rains Turns In Three-Hit Shutout; 10th Inning Rally Wins For Moose

John Rains, belted out of the box last week by McAttee Glass, came Sunday to toss a three-hitter at Carpenter and help put Sacred Heart in the win column in the Southwest-Inter-City Baseball league for the first time this spring, 8-0.

Mercer Funeral Home ran into extra-inning difficulties at Wilson Park and dropped a 6-4 decision to Moose Lodge No. 4 of East St. Louis the same afternoon. Both local clubs now have 1-1 records. The Moose ran their record to 3-0.

Other results showed Maryville had runners at second and an 8-5 winner over Roxana, Collinsville squeaking past Troy 3-2 and defending champion Peconia scoring a 6-3 win over McAttee.

Loss In 10th

Mercer came from behind with single runs in the eighth and ninth innings to tie the Moose, but the winners pushed across two tallies in the top of the tenth on singles by Ray Turelly and Ed Blake, an error and a walk.

Dick Portell, who relieved Bob Vetter, lost the loser, CHT Eckels started for the Moose but was not around for the finish, either Larry McCaskey, who took over in the ninth, was awarded the victory.

Mercer had a 2-0 lead after three innings. Bob Stegemeier and Rich Branding put together doubles in the first for one run, and the home team scored again in the bottom of the third on Charles Johannmeyer's single after Eckels had walked two batters.

But the Moose scored three in the fourth on singles by McCaskey and John Basarich, an error-finder's choice, walk and sacrifice fly by Al Felsch. Another Moose run scored in the fifth on walk and singles by Basarich and Walt LaChance.

Stegemeier tripled and rode home on Johannmeyer's ace in the eighth, and Moxley tied it in the ninth on Ken Cook's three-bagger and a follow-up single by Rudy Dial.

Stegemeier singled, doubled and tripled in three trips to the plate for Mercer, while Basarich and Turelly paced Moose with seven hits between them.

Work On 25 Streets

Portions of 25 streets were listed for continued maintenance under the MFT program.

Altemar Mangiaracino, chairman of the traffic committee, said stop signs are needed at the northwest and southwest corners of Marvoda street and Douglas avenue. An ordinance is to be planned.

Sanitation Committee Chairman Oscar King reported that several outdoor toilets are still in use in North Venice, in violation of a recently-passed city ordinance. Walter T. Simmons, health inspector, said letters have been prepared pointing out the violations and are to be mailed this week.

Two building permits were approved at the meeting, one for a \$9000, six-room residence to be built at 1208 Klein street by Carl Byrnes, and the other for a two-room addition at 1216 Market street at a cost of \$2000. The latter permit was issued to Regula Rogers.

License Hearing Set

At the end of the meeting, Calvin Pierson, operator of the

Show Boat tavern at 400 Main street, asked Mayor Lee and the council why his city liquor license had not been renewed. "I have received a license for 14 years," he said, "and I'd like to know why I can't get one now."

Mayor Lee said he believes the primary reason the license was denied is that Pierson is not a Venice resident. Pierson said he maintains living quarters at the Show Boat, and spends most of his time there. He requested a hearing before the license committee, which was granted for 5 a.m. today.

COOPER, GRIGGS WIN EVENTS
DUPO DASH MAN Virgil Stoffel breaks top to win finals of 440-yard run at the 10th annual Midwestern conference track meet in Roxana, who came from last place in a field of six runners, finished a close second. All six runners are visible in this finish line photo.

COMANCHES POUND TO ONE-SIDED WIN IN MIDWESTERN TRACK MEET; MHS 4TH
One record was broken and another tied, but most times and distances were disappointing Thursday night in Roxana where Comanches showed its expected depth in running away from the rest of the field to win the 10th annual Midwestern conference track meet.

The Comanches took an early point lead and finished with 78 far ahead of second-place Dupo, which had 31½. Bethalto was third with 29½, Madison fourth with 28, Roxana fifth with 28 and Highland sixth with 14.

The closely-bunched second through fifth-place finishers stayed that way throughout the meet, with those four places still in doubt as the final event, the mile relay, got underway. Madison, which had maintained second place most of the evening, finished a poor last in the relay, and dropped two places in the final standings as a result.

Record No Surprise
Jim Jackson of Cahokia surprised very few observers when he cracked the four-year-old shot put mark with a toss of 52-3½. Roger Ficken, also of Cahokia, equaled the 180-yard low hurdles standard in 20.8, and that was the extent of record-matching efforts.

The Comanches won five events, and Madison, Dupo and Roxana each snared two first places. The meet was interrupted briefly by a heavy rain shower, but the track was in excellent shape all evening.

Wait Cooper of Madison took an expected first place in the broad jump, but his distance of 20-2 was disappointing. Kenny Griggs was the other MHS winner.

7th-9th Graders In GCCHS Schools Will Hold Track Meets
Physical education class members at Granite City Junior high and grade schools who have not participated in intraschool track meets this year are eligible to sign up at their respective schools for track meets to be run off this spring on the high school oval.

The meets, to be conducted singly by each of the schools, are open to seventh through ninth graders, who may enter two running, one field and one relay event, or two field, one running and one relay event. Athletic Director Dick Yates said ribbons will be awarded to the first five place finishers at each school.

Coaches at each school will set dates for their particular meets, which are not to be confused with the annual sophomore "Olympics" at Granite City high school, scheduled May 28 at the GCCHS track.

Central Cinder Teams Are 1-2
Central grade school nipped Roxana by one-half point in a seventh grade triangular track meet here Thursday, while the school's eighth grade squad was second to East Alton in another three-sided run here.

Central's seventh grade 880-yard relay squad won the final event to up its point total to 60½. Roxana finished with 60 and East Alton was third with 59 points.

East Alton won nine of 12 eighth grade events, totaling 61½ points, and finished ahead of Central (42½) and Roxana (21½).

Central seventh grade winners were Dave Potts in the 50 and 440, Bob Alford in the 220, Dan Wilson in the pole vault (tie) and the school's 440-yard relay team.

Winning for Central in the eighth grade events was Len Reville, who took first in both the 100 and 220, and Central's 440-yard relay team.

Edges Tigers 10-9; Logan And Barnes Win Doubles

Although finals in the singles division of the district tennis tournament remain to be played today, Granite City's Warriors have sailed away the district title as the result of a fine showing Friday and Saturday on the courts in Roxana.

Bill Logan and Mike Barnes, the top two singles players for the district Harman group, won the singles championship by defeating the top two players from the regular season, paired up to win the district doubles championship, and teammates Don Moore and John O'Dell, Bob Buente and Wayne Hancock picked up valuable team points although they were eliminated before the final round of play.

Singles Final Today
The Warriors totaled 10 team points, nine and Belleville will finish third with seven. Two members of the Maroon squad, Frank Conners and Brian Smith, are scheduled to meet today in Belleville for the singles championship.

Madison tied for fourth place with Mascoutah. Each squad scored three points. Wood River is seeking help from former GCCHS athletes and followers of past warrior track and field teams in an attempt to complete a listing of school records in all events.

"Anyone who knows of a school record, whether it was set in a dual meet or at conference or state meets, or who has old clippings from past track meets can telephone me at the high school," Yates said.

They played sweet tennis. Harmon said of Logan and Barnes after Saturday's doubles tournament. The depot match which could not be squeezed into Saturday's schedule.

Barnes and Logan had to win four times Friday and Saturday to take the doubles title. They played a 6-6 victory over Tom Farquhar and Chuck Holland of Belleville, and then a 6-6 victory over Tom Moore and John O'Dell of the quarterfinals. In the final, the Warriors defeated the Quind City YMCA, going against over David and Richard Helm of Edwardsville, 6-0, 7-5.

The winning GCCHS combination, together with Blackmore and Blase, qualified for a trip to the state high school tennis finals in Champaign May 18-19, along with Conners and Smith of Belleville. Winners and runners-up in singles and doubles both get to make the trip.

Second Trip For Logan
Logan qualified for state last year as a sophomore when he was runner-up in the singles. Logan, who won the district championship, was named to the team.

The Warriors' doubles entry, Tom Moore and John O'Dell, defeated Larry Lux and John Oels in the quarterfinals, 6-1, 6-2, and then was defeated 6-0, 6-1 by Blackmore and Blase in the quarterfinal round.

In singles, Buente topped John Woods of Mascoutah 6-0, 7-5 in the opening round, defeated Jim Broyles of Madison 6-0, 6-2 in the quarterfinals and was eliminated by Conners in the semifinals, 6-1, 6-2. Broyles had stopped Jim Worthing of Bethalto 6-3, 6-1 in the first round.

Jim Harmon of Madison was eliminated in the first round by Jack Finley of Collinsville, 6-0, 6-2. Finley advanced to the semifinals before being beaten by Smith of Belleville.

Wayne Hancock of GCCHS went three sets to Tom Fleming of Roxana in first round singles, 1-6, 7-5, 7-5, and lost to Finley in the quarterfinals, 7-5, 4-6, 5-7.

Funds Being Raised For Local Mexico-Bound Latin Ensemble

Unique School Music Group Asked To Play Its Authentic Dance Rhythms This Summer

A unique event in international good will — the Coolidge junior high school Latin-American ensemble's proposed trip to Mexico this summer — hinges on a \$6000 fund campaign which is opening today.

Highlight of the drive will be a public concert at 8 p.m. Thursday, May 31, in the Granite City high school memorial gymnasium, by the Coolidge concert band and the two units of the rhythm ensemble. The ensemble members and their families also are contributing, and gifts from business firms and organizations will be sought.

The official invitation from the American dance rhythms among public schools anywhere in the nation. There are no other known groups of this type in the U.S. "The ensemble gives accelerated music students a chance to gain additional experience and training beyond the normal school music program," Director Robert D. Todoroff explains. The project is voluntary and after-school for both himself and the participating students. The ensemble was a factor in Todoroff's decision to remain here despite tempting university job offers.

"The original group in 1958 set a precedent in excellence of performance and perseverance which has grown into a tradition based on from year to year. The students have a trust—a challenge to meet the demands of music foreign to our culture and yet interpret and perform at a level comparable to that offered by professionals."

Pioneer In U. S. "The Coolidge ensemble is the pioneer in the field of Latin-

Todoroff's "authentic only" program has at its heart a three-fold concept—Latin dance rhythms reproduced through the use of Latin music played on Latin-American rhythm instruments. While the group is still experimenting and progressing, standard techniques have been developed for teaching and presenting the Latin music, Todoroff reports.

Play For Students, Workers. They are to be demonstrated to Mexican students in direct, televised and filmed performances and also are to be used to entertain groups from all walks of life. A proposed concert at the Mexican Palace of Fine Arts is regarded as the crowning achievement and honor of the journey.

As part of the cultural exchange the Coolidge students also will visit historic sites at various points in Mexico.

Ever since it was organized, the Latin American ensemble has had as one of its primary goals the furtherance of inter-American understanding. If the dream of a visit to Mexico becomes a reality, Coolidge faculty members and students feel that long strides will have been made toward bolstering such understanding and friendship.

Ticket Information On Benefit Concert

Tickets are being placed on sale today for the benefit concert to be given at 8 p.m. Thursday, May 31, in the Granite City high school memorial gymnasium by Coolidge junior high school's concert band and Latin American rhythm ensemble.

Costing \$1 each, the tickets are available at Graham's Book Store, Delmar and N. Washington avenues, and from any member of the Coolidge school band.

Mrs. Albert Froelich, international concert chairman of the Latin ensemble parents' group, has been selected as coordinator of ticket sales.

Of the \$6000 budget for the ensemble's proposed trip to Mexico, \$2100 is being provided by the 21 students on a basis of \$100 each. The remainder is being sought through the concert and contributions of business firms.

CHANGING FACES AND STYLES of music have marked the history of the Latin American rhythm ensemble, with classes entering and leaving the school yearly and new rhythms evolving as the group progresses and pioneers, in the front row, left to right, of the 1960-61 group are

Borrie Freedman, Debbie Spengler, Jeanine Hoover and Frank Cozart, and in the back row are Pam McCollum, Kenneth Miller, Judy Matras, Donna Stayduhar, David Bourne and Kay Rheinhardt.

Ensemble's Progress During 5-Year History Earned Trip To National Music Conference

Coolidge junior high school's Latin American rhythm ensemble was originated five years ago by the school's band director, Robert D. Todoroff, who had traveled in Mexico and had been attracted by the charm of Latin-American dance rhythms.

The initial group in 1958 consisted of Nancy Dunsmuir, Guy Lehr, Joan Schumacher, Carl Waller, David Sparks, Joy Strotheide, Carolyn Johnson and Phyllis Stout Crews.

Then, as now, rehearsals and performances were held during the students' leisure time after school and in the evening. Membership was voluntary but limited to those musicians in the school's concert band having the most outstanding potential.

The original ensemble's success in interpreting Latin music gave Todoroff the incentive to continue his research and form another ensemble the following

year. He has studied extensively since then during yearly vacations in Mexico, and the ensemble has become firmly established.

Highlights of its history follow:

1958-59

Ten performances for church and local organizations, plus the Rotary Home Show and a guest appearance at the Wood River high school spring band concert.

Members were like "fish out of water" because they were still pioneering, but their musicianship allowed them to perform at a high level of skill. Some of the arrangements played by the group still present a challenge to present ensemble members.

"These students have gone on to do outstanding work at the high school level and are embarking upon college education."

Twenty-five performances included a St. Louis television show, county vocal music festival, Washington University Graduate School clinic, Southern Illinois University music clinic and performances for local groups. The ensemble began traveling out-of-town to fill engagements.

"This activity began to meet the need of the music student gifted to the beyond the average who expressed a desire and willingness to explore related musical fields. A dynamic group of students accepted the challenge."

"The benefits were not measured in the time invested but in skills sharpened, growth and maturity in facing audiences, confidence gained through a job well done, responsibility of doing their part to make the program a success, a feeling of accomplishment and the challenge of a creative activity never attempted previously."

1960-61

Thirty performances, including the Music Educators' national convention in Columbus, Ohio, Illinois education department half-hour TV program, Illinois Art Education banquet here, Community Concert campaign dinner and Edwardsville and Alton Junior high concerts.

For the first time, the small group was joined by an experimentally enlarged ensemble, which had the small unit as its nucleus.

This group produced a long-planned recording of 18 songs and 14 rhythm demonstrations which sold over 300 copies in a limited sales campaign.

1961-62

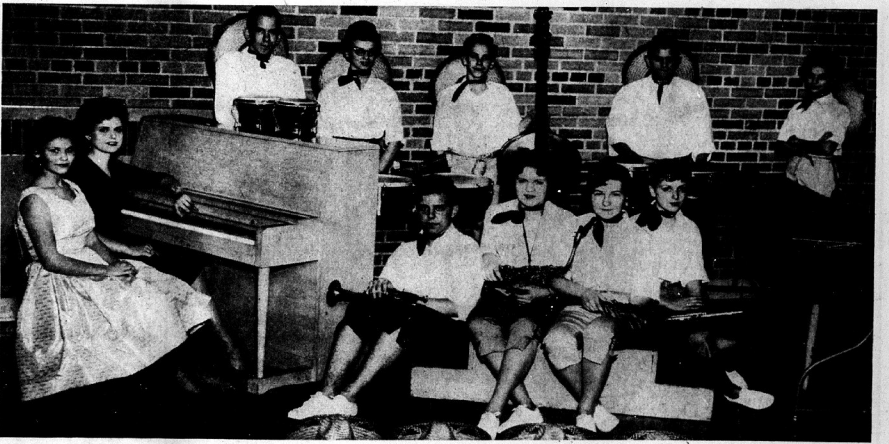

The group turned down a request to appear at the Music Educators' national meeting in Chicago to concentrate on preparations for its forthcoming trip to Mexico at the invitation of the Mexican government.

Performances this year are expected to total 25, including 1200 teachers at an Illinois Education Association meeting, the international Girl Scout banquet and a United Nations Week celebration in Alton.

CONCERT BAND of Coolidge junior high school poses in the school gymnasium. It is from this 130-student group that members of the Latin

American ensemble are chosen. The entire band will participate in a benefit concert on the evening of May 31.

Busy Schedule In Mexico Includes Palace, Factory Concerts, TV, Movie

A bus trip to Mexico being planned for 21 members of the Coolidge junior high school Latin American rhythm ensemble July 21 to Aug. 15 will result in a U. S. group playing Mexican-style music for a large percentage of Mexico's population. The group will be heard in three principal ways:

1. Personal appearances will run the gamut from factories to the presidential palace.
2. The ensemble will be televised while in Mexico City under

arrangements made by Dr. J. Guadalupe Mainero, head of the Mexican television industry.

3. A video-tape will be made and converted into a motion picture for distribution to rural and outlying schools of Mexico. The three weeks are expected to be a busy but fascinating time for the students, their director, Robert D. Todoroff, and adult chaperons from the parent group. Along with performances at industries, union gatherings, social centers and civic organizations, the ensemble will

play at the National School of Music.

Palace Of Fine Arts

The events being looked forward to with greatest anticipation are a special performance for Senora Eva Samano de Lopez Mateos, wife of the president of Mexico, and a concert at the Palace of Fine Arts in Mexico City. The formal invitation received in January from Senora Castillo Ledon, Secretary of Public Education, who had heard a record-

ing made by the Coolidge ensemble, read in part:

"The appearance of the group to the group for its trip. It has for the enjoyment and cultural betterment of the workers, but also for the benefits which would come forth as a result of this ap-pearance as a new approach in the 'good neighbor policy' and the cultural interchange between the two countries."

Melvin Price, has announced that it will "extend every courtesy" to the group for its trip. It has contacted U. S. Embassies in Mexico to assure the ensemble of the enjoyment and cultural cooperation throughout the journey. The ensemble has received the support of the Department of State through Assistant Secretary Frederick Wyatt, the Ford Foundation and through the cooperation of Cong-

Miss Judith Brown Becomes Bride Of Raymond H. Werths

St. Peter Evangelical & Reformed Church, 21st street and Cleveland blvd., was the scene of the candlelight wedding Saturday afternoon of Miss Judith Marie Brown and Raymond Herbert Werths. The Rev. Robert Baumann officiated at the 4 o'clock ceremony in a setting of white flowers and greenery.

The bride, daughter of School Supt. and Mrs. Wensel Brown of Madison, wore an imported organza gown designed on classic lines. The rounded neckline was outlined with Venice lace and the princess silhouette had a self-fabric bow at the bustline. The bodice had short capped sleeves and the bouffant skirt was worn over a hoopskirt. Detailed at the sides of the waistline were matching Venice lace motifs and a chapel train flowed voluminously in the back. Complementing the picture was a butterfly veil of imported French illusion held to the bride's hair with a coronet of seed pearls and a cascade bouquet of white carnations and valley lilies. Mr. Brown gave his daughter in marriage.

Preceding the bride and her father down the aisle was her sister, Mrs. Joyce Alberts, matron of honor; five bridesmaids, Miss Mary Lou Reilly, Miss Judy Hillegas, Miss Sherry Soskey, Miss Linda Maye, Miss Sue Werths, the bridegroom's sister, and two junior bridesmaids, Janice and Joanne Alberts, nieces of the bride.

The older attendants wore identical lilac organza sheath dresses with bateau necklines adorned with petite floral lace medallions. The overskirts were detachable tunics with medallions bordering the hemlines. Matching headpieces and circular face veils were worn and they carried colonial bouquets of lavender peonies and white carnations.

MRS. RAYMOND H. WERTHS. Her wedding was an event of Saturday afternoon taking place at St. Peter United Church of Christ, 21st street and Cleveland blvd. Prior to her marriage she was Judith Brown, a daughter of School Supt. and Mrs. Wensel Brown of Madison.

Wedding Of Miss Heth, Oliver A. Eccardt Saturday

Miss Grace Heth, 2608 State street, and Oliver A. Eccardt, of Ferguson, Mo., were married Saturday morning in an 11 o'clock ceremony taking place at Sacred Heart Catholic Church decorated with altar bouquets of white snap dragon.

Rev. William Wand heard the vows of the couple and a breakfast and reception for approximately 125 relatives and friends was held at The Smorgasbord afterward.

A street-length dress designed with a long fitted torso of Chantilly lace, a scalloped neckline, short sleeves and a pale blue silk-organza skirt over taffeta was worn by the bride. A small white flowered hat and a corsage of orchids and stephanotis complemented her costume. Her only attendant was her sister, Mrs. Ellen Aubrey, dressed in a Wedgewood blue silk sheath with matching lace bodice and a chiffon front panel. She wore a petite blue organza pill box hat and a corsage of pink sweetheart roses.

Paul Jung of Florissant, Mo., a nephew of the bridegroom, was best man, and two brothers of the bride, William and James

Miss Jane Lancaster And Fred P. Jones Wed Saturday

Miss Jane Lancaster, a daughter of Mr. and Mrs. Robert Lancaster, 4502 Kirkpatrick Homes, and Fred P. Jones, whose parents are Mr. and Mrs. Paul Jones, 4401 Kirkpatrick Homes, were married Saturday evening at Trinity Methodist Church. The ceremony was performed at 7:30 by Rev. James T. Bryant and a reception followed at the church.

Bouquets of white gladioli and pom poms adorned the altar and lighted candles illuminated the aisle through which the procession passed, the bride escorted by her father.

Mrs. Edna Jones presided at the organ and accompanied the soloist, Miss Sharon Eckels, as she sang "Wedding Prayer" and "Because."

The bride's gown was of imported silk organza. A princess silhouette, it was styled with a scoop neck outlined with Venice lace cap sleeves and detailed on the sides with garlands and lace motifs. The skirt, with a bustle bow at the back, ended in a chapel train. A pearl crown with crystal drops held in place the bride's butterfly veil of French illusion and she carried a bouquet of white roses and variegated ivy surrounding a detachable white cymbidium orchid corsage.

Attendants for the bride were Miss Phyllis McMillan, maid of honor, Miss Nelda Lancaster, a sister of the bride, bridesmaid, and Debra Voss and Brenda Will, nees of the bridegroom, flower girls.

The bridesmaids were dressed alike in aquamarine organza, ballroom-length with fitted bodices, round necks and bell skirts. Matching veils and pearl crowns completed their costumes and they held cascade bouquets of Talsman roses and white pom poms.

The little flower girls were in peach cotton overalls with white aprons and ribbons in their hair. Both carried baskets of white pom poms and Talsman petals.

The bride's mother selected a tan suit with bone accessories, an orange and brown hat. Mrs. Jones, the bridegroom's mother, was in a beige wool suit with accessories of bone, a pink hat and a pink orchid corsage.

Bill Voss was best man for his brother-in-law, and Howard Will acted as ushers. Robert Lancaster, the bride's brother, and William Jones, the bridegroom's cousin, escorted the guests to their seats.

After a trip through the south, the newlyweds will live at 8041 Willow avenue. Both are employed by Dow Metal Products Co.

Comptroller John Dober told the Press-Record it is likely a \$100,000 tax anticipation warrant will be issued this month. Timing on the collection and distribution of 1961 taxes will determine if the second \$100,000 tax warrant will be needed.

Mayor Davis said he expects to have proposals for garbage and trash collections from three St. Louis area firms in time for presentation to the Sanitation committee tonight. If the committee approves, the proposals will go before the council.

The mayor suggested several weeks ago that city employees be paid a contract rather than a city department on the possibility of savings necessary to \$50,000 a year. "If we go to a private contractor," he added, "it will save necessary city employees to have a 20 or 30-gallon container. Wrapped garbage and tin cans would go into the single container to speed up the pickups," he explained.

The 65-year compulsory retirement age for city employees was cast aside several months ago by the council, but the ordinance is listed for presentation at tonight's meeting.

In addition to routine committee and department reports, resolutions seeking motor fuel tax funds for improvements to sections of Benton street, Duquesne and Edison avenues and a Maryland road are to be resubmitted.

Pierion Denied Venice Tavern License Today

Calvin Pierion today was denied a liquor license for the Show Boat tavern, 600 Main street, Venice, on the basis of non-residence in Venice. He participated in a hearing this morning at the city hall before the liquor committee, composed of Mayor John E. Lee, Alderman Hank Svevia, who is ordinance committee chairman, and Police Chief Frank DeWitt.

The committee noted that the latest street directory shows Pierion residing in the 2100 block of Cleveland blvd., Granite City, and said it believes his wife and children are living there. Pierion maintained that the tavern is his place of residence. He was informed of his right to appeal the decision to the state liquor commission.

Pierion's license was not renewed for the new fiscal year which began May 1. Mayor Lee told the Press-Record today that all other businesses also are being checked on whether they meet city residence requirements.
